I've tried for two days to call and the voicemail box is full. Even when I dialed 0 that was full.

This is my statement that I oppose the Atlantic Coast Pipeline for obvious reasons; sooner or later there will be a spill or leak and NC will have a mess to clean up, will lose tourist revenue, and sea life will be killed. We can't even get money for hurricane Matthew from the federal government so the pipeline would be setting NC up for a disaster.
